Join us for an outdoor adventure at a USA Girl Scouts Overseas camp, where girls aged 7-17 can unplug, learn new skills, discover their sense of self, and test new-found independence in a safe, girl-led environment. With camp experiences packed full of Girl Scout traditions and exciting activities from art and music to high adventure and STEM, there's something for everyone at camp this year!

USA Girl Scouts Overseas is looking to hire an energetic, creative team of staff to join us at our residential summer camp, 'Camp Lachenwald' at Grafenwoehr, Germany, from August 3-16, 2020. Accommodation is provided in tents and rustic cabins with electricity, hot showers and running water. All meals are provided.

Our team is an international mix of people from around the world. We strive to have a diverse staff, providing campers with opportunities for cultural exchange. Staff are caring and compassionate people who can see a spark in a camper and encourage her to pursue her talents and dreams. We are looking for people who can fill our campers with confidence, so they are stronger and more courageous when they leave camp. You do not need to have any experience with Scouts or Guides-just a love for working with children and the outdoors!
