

Honor Troop Application

The Honor Troop and Honor Community Awards were established by USA Girl Scouts Overseas to recognize troops and overseas communities that make Girl Scouting an exceptional experience, setting themselves apart as role models.

To earn the Honor Troop Award, troops must offer or participate in the membership year activities listed below. Once these activities are marked as completed, applications may be submitted to overseasvolunteerawards@girlscouts.org. Applications are due to USA Girl Scouts Overseas by June 30.

Applications will be reviewed and awarded within 14 business days of submission. Each registered Girl Scout within the awarded troop will receive the Honor Troop patch and Troop Leaders will receive a special Honor Troop gift.
