Month of the Military Child USAGSO Patch Design Contest Presented by Apex Clean Energy

Calling all artists, designers, and illustrators: USA Girl Scouts Overseas (USAGSO) is excited to announce our Month of the Military Child patch design contest, proudly presented by Apex Clean Energy!

The contest is a great way for Girl Scouts to share their artistic talents with us and help design our brand new USAGSO Month of the Military Child patch.

The Girl Scout with the winning design will receive:

- Their patch design turned into the USAGSO Month of the Military Child patch given to Girl Scouts of military families residing overseas
- Announcement on USAGSO's Facebook, Instagram, and LinkedIn
- Featured in all Month of the Military Child communications such as the Eventbrite registration pages, USAGSO webpage, etc.
- A custom-made tote bag with their patch design

Contest Details:

- The contest will take place from 16 February - 3 March 2024, no late submissions will be accepted
- Designs must be original work of the girl
- Girls can submit more than one design
- The design must include the words, "Month of the Military Child" and "USAGSO" or "USA Girl Scouts Overseas"
- The design should also tie-in to the theme of celebrating military children! These amazing kids are strong, brave, proud, and global. We celebrate their selflessness and sacrifice as they serve our country as part of a military family, not just in April, but all year long.
- The winning design will be selected by a committee of USAGSO and Apex Clean Energy staff and announced on USAGSO's Facebook and Instagram accounts in March 2024

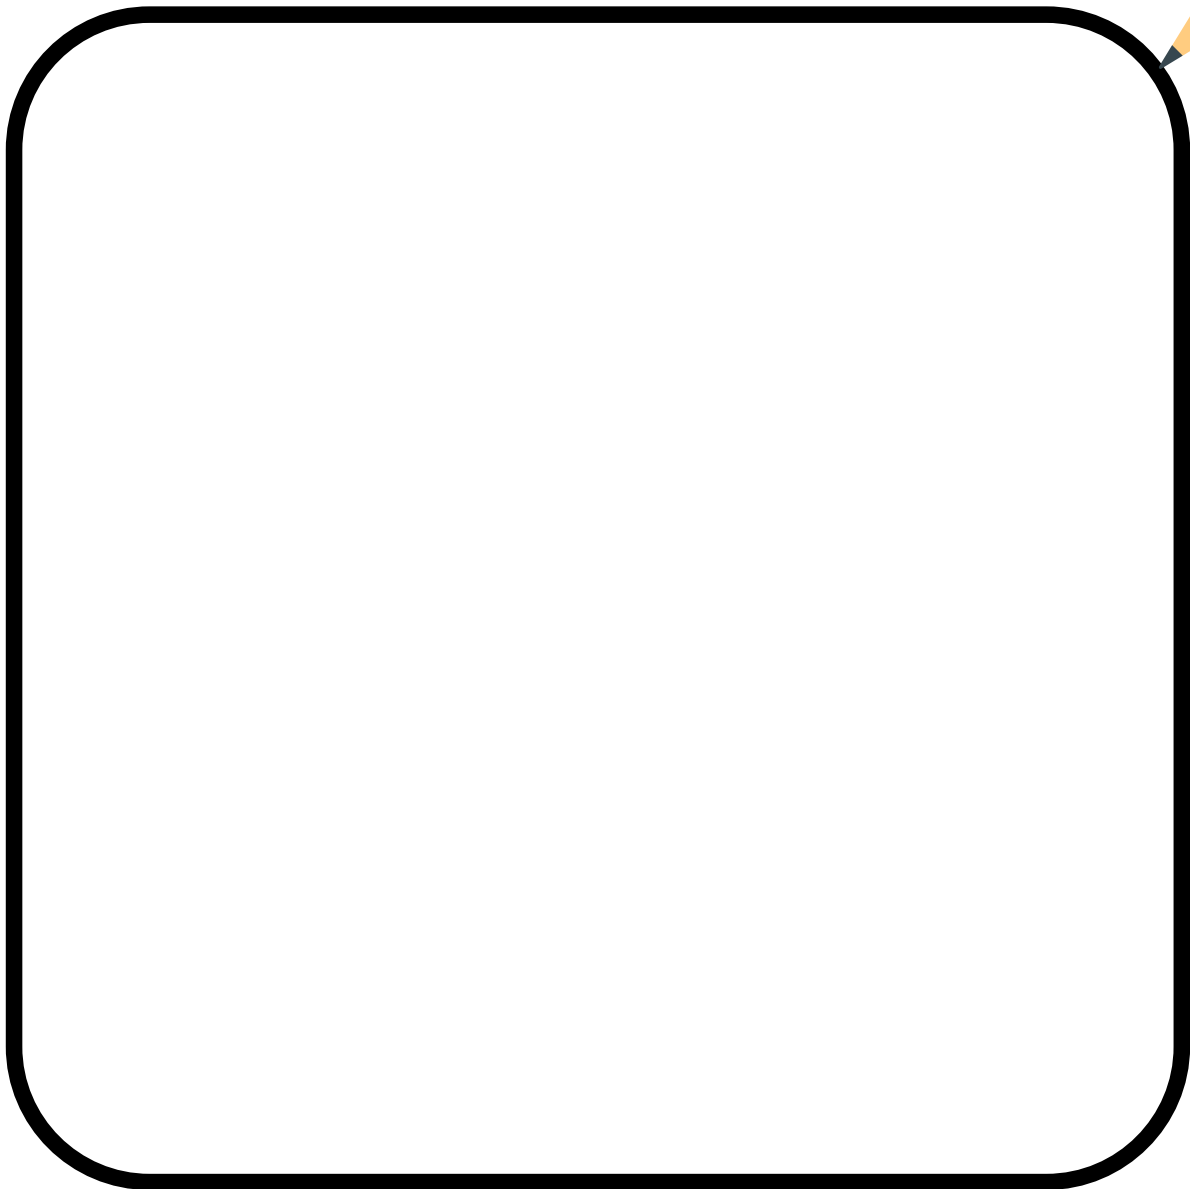

How to Submit:

- Draw your design within a circle, square, triangle, rectangle etc. making sure to include the words listed above. We've created the form below to make this easier, so you can just print and design away!
- Submit designs via this WuFoo form: <https://usagso.wufoo.com/forms/month-of-the-military-child-patch-design-contest/>

USAGSO Month of the Military Child Patch Submission Form

Presented by Apex Clean Energy

Draw your design inside the desired shape. Keep in mind, the winning design will be made into a patch and the size will be approximately 4-inches.
