*Please answer the following questions in as much detail as possible.*

1. Describe your Silver Award Take Action Project.

2. What is the community issue your project addresses?

3. All Silver Award projects must target the root cause of a community issue. What is the root cause of this issue? How does your project address the root cause?

4. All Silver Award projects must include a plan for sustainability beyond your involvement. How do you plan to ensure your project is sustainable and makes a lasting impact in the community?

5. All Silver Award projects should have at least one SMART goal. What is your goal and how will you measure your progress towards the goal?

6. How will you show leadership in your project? If you are working as part of a group or team, each of you must have different leadership responsibilities.

7. How will you let others know about your project and the community issue it addresses?
