Girl Scout Adventure is Ahead!

This year, we have an amazing lineup of programs and training to help you meet other Girl Scouts from around the world, stay active between troop meetings, and reach for your goals.
In here, you’ll find information about programs and training designed for girls, families, and volunteers. We are excited to offer a variety of both virtual and in-person opportunities to meet everyone's needs, no matter where in the world you might be!

Download this guide and share it with parents/guardians and your Girl Scouts. Let girls take the lead! Help them find the experiences that are just right for them.

Register for events at [bit.ly/usagsoevents](http://bit.ly/usagsoevents). You can see more details about all our virtual programs there, then sign up!

Attend events and programs! Girls can attend events as a troop, on their own, with friends, or with their whole families.

Take a training! Looking for Troop Leader or OCMT training? Want to attend a webinar? Log in to gsLearn via your MyGS account. All our trainings are found there.

Share your story! Have a great time attending one of our programs or trainings? We’d love to hear all about it! Send your pictures to us here: [bit.ly/sharegs21](http://bit.ly/sharegs21).

If you need help with anything or want to share feedback, just email us at overseascustomercare@girlscouts.org or call 001-800-467-0070 anytime.
During the months of July and August, USAGSO program and training will be on a short summer hiatus! However, we encourage you to keep the Girl Scout fun going all summer long with the programs and training found on the following pages. All of these DIY experiences can be completed individually, with friends/family, or as a Troop/Overseas Committee.
