

SUM-MORE ADVENTURE PATCH

Venture outdoors for these fun Summer activities!

Requirements

Daisies-Junior: 1 Discover, 1 Connect, and 1 Community Service Project Activity

Cadettes-Ambassadors: 2 Discover, 2 Connect, and 1 Community Service Project Activity.

DISCOVER

- Learn a new game to play outdoors.
- Learn basic First Aid for summer injuries.
- Learn about Fire Safety. Make an edible fire snack.
- Learn how to cook using solar energy.
- Take a Hike and observe plant and animal life. Document your findings in a nature journal.
- Locate two constellations. Learn their names and find out the story behind each of the constellations.

CONNECT

- Talk to someone or research another country. What do girls do there for the summer?
- Explore an outdoor profession such as a Park Ranger.
- Talk to your family about summer traditions. What did your parents do in the summer when they were children?
- Visit a local farmer's market or farm stand. What kind of produce is harvested during the summer where you live?
- Prepare a summer dish from another country.

COMMUNITY SERVICE

- Choose a Community Service Project as a troop. You could do a beach or park clean-up, help someone plant flowers, or collect donations for a local shelter. It is up to you!
