

## No Registration Email Received

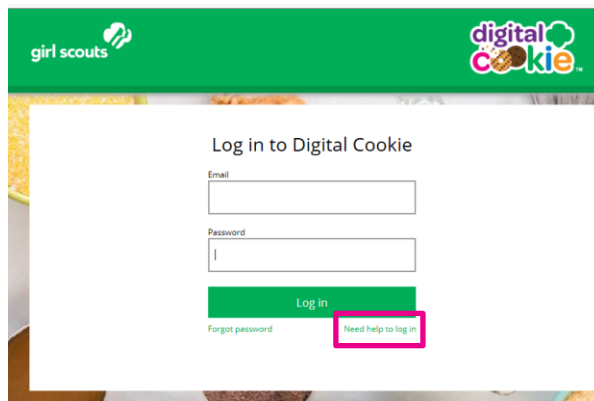

In order to receive a Digital Cookie registration, your Girl Scout must be registered for the current Girl Scout year and your council will need to have the correct email address on file for her parent/guardian. If you have opted out of receiving emails from the council, skip to Step 4.

1

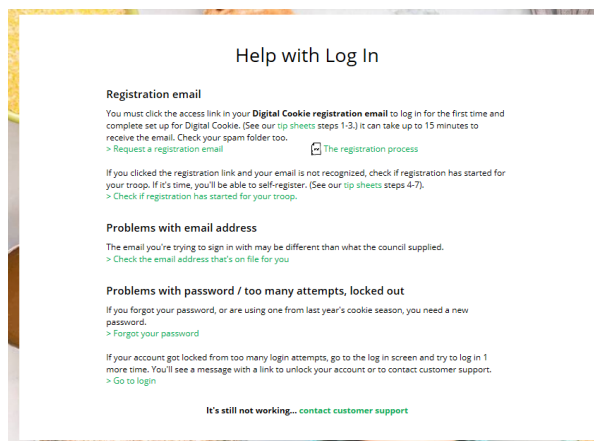

Check your junk/spam/promotions inbox one more time for an email from “Girl Scout Cookies” ([email@email.girlscouts.org](mailto:email@email.girlscouts.org)) with the subject “Register for the Digital Cookie Platform Today”. If you do not see the email there, follow these steps to get registered for Digital Cookie.

2

Go to [digitalcookie.girlscouts.org](https://digitalcookie.girlscouts.org) and click the “Need help to log in” link. (For best results, use the most up to date web browsers)

You will get a screen of steps you can use to try and get registered for Digital Cookie.

3

Start by clicking on the “Request a Registration Email” and enter the email address that you used to register your Girl Scout.

### Request a Digital Cookie Registration Email

Enter the email address you have on file at Girl Scouts and we'll send you a Digital Cookie registration email. It can take up to 15 minutes to receive the email.

If you get a red message:
