

Renewing Your Girl Scout Troop Registration Guide

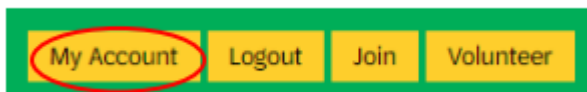

1. Visit www.usagso.org & click “Sign In” located on the top of the page

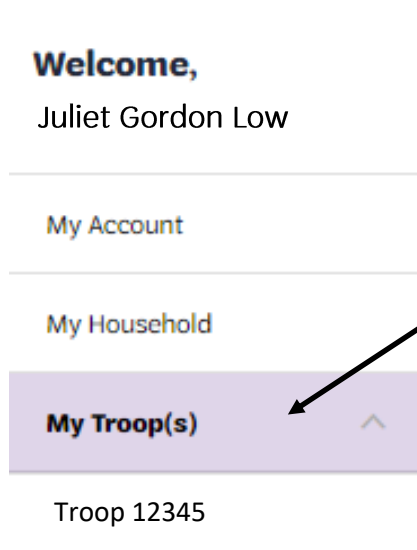

2. Login by entering your username and password. You may reset your password on this login page.

Tips for success: your username is usually your email address.

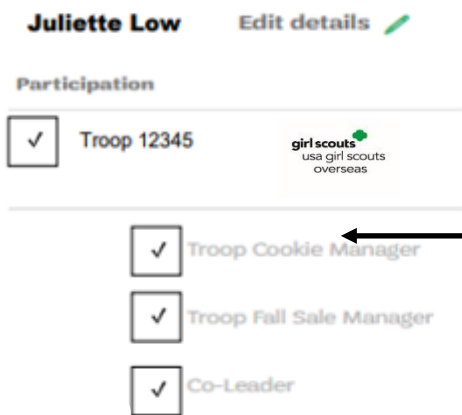

3. Click “My Account” located on the upper right side.

4. Click “My Troops” and select the appropriate troop.

Tips for success: Before you renew the members of your troop, you MUST renew the individuals in your household that are continuing. Once your household members are renewed, you can then renew your other troop members through the My Troops tab. Do not register both your troop and your family in one transaction as this may cause registration issues.

5. Look for the members you would like to renew and checkmark their troop number (and position if applicable). Click “Renew”

6. Complete the form and click “Submit Member Details”. Click “Review Cart”. If your cart is correct, agree to the Girl Scout Promise and Law. You will then receive an email with the receipt of your purchase.
