2022 Impact Report

Letter from the Executive Director

Dear Friends,

It has been another amazing year for USA Girl Scouts Overseas (USAGSO)! From orchestrating impactful service projects, to leading their own flourishing cookie businesses, to exploring a wide variety of STEM careers, thousands of girls around the world have made a difference in their communities and set themselves up for future success. I am incredibly proud of our Girl Scouts and thankful for the many donors, volunteers, program leaders, and others who have made these accomplishments possible. Your support not only improves the lives of girls today, but ensures a brighter tomorrow for us all.

Yours in Girl Scouting,

What did Girl Scouts do in 2022?

Highest Awards

Every Girl Scout goes above and beyond to make a difference in her community and the greater world. The skills and experiences she gains along the way set her up for special recognition when she earns the Bronze, Silver, and Gold Highest Awards. In 2022, 259 USAGSO girls around the world earned a Highest Award:

17
Gold Awards

59
Silver Awards

164
Bronze Awards

In 2022, over 300 girls met inspirational women through our STEMMinist program.

Girl Scout Cookie Program

When girls participate in the Girl Scout Cookie Program, they receive more than life-changing experiences and adventures. They also develop essential life skills—goal-setting, decision-making, money management, relationship building, and business ethics.

Virtual programs engaged nearly 3,000 girls.

Giving Back — Across the Globe

All around the world, ordinary girls are doing extraordinary things through USAGSO. Your support ensures our girls can continue to give back to their communities. Here are some special ways they did just that in 2022:

Destination: Beijing, China

Daisy Girl Scouts honored Tree Planting Day by giving back to nature. With minimal assistance from parents, the girls soiled, planted, watered, and tagged “baby” trees.

Destination: Keelung, Taiwan

Fifty-two girls and parents in Taiwan conducted a beach clean up and removed 76kg (167lbs) of trash from the coastline. Their hard work helped create a safer habitat for local marine biology and instilled the importance of environmental stewardship.

Destination: Rota, Spain

Junior Troop 61505 completed a Leave No Trace Pollinator Garden as part of their Bronze Award. They salvaged pallets, budgeted for supplies, built the garden and planted pollinator-attracting plants.

Thank you to our Supporters!
