

Tourist Equity Patch

Tourist equity means making sure that everyone, including visitors and locals, gets something good from tourism

Learn about Kyoto - one of the cities in Japan - and discover the sustainability in tourism!

Requirements

Daisies-Juniors: 1 discover, 1 connect and 1 take action

Cadettes-Ambassadors: 2 discover, 2 connect and 1 to 2 take action

Discover

Learn - What is Kyoto famous for? What kind of temples and shrines do they have?

Location - Find where Kyoto is and find out something new about the city.

Language - Learn some phrases in the Kyoto dialect and teach the phrases to someone else. Discuss the importance of respecting cultural communication.

Explore - Find out how much people visit kyoto and the popular destinations

Decide on a location you want to visit.

Connect

Japan - What do you know about Japan? Share your thoughts and include any efforts in promoting sustainable tourism.

History - Discuss how historical places can be taken care of while having visitors

Culture - Consider the impact of tourism on traditional cultures and ways of life.

What are ways to support cultural care?

Season - Learn about the four seasons in Kyoto and choose your favourite.

Discuss how tourism affects Kyoto in different seasons.

Take Action

Tour - Take a virtual tour of some of the places in kyoto.

Think about ways to help with a better environment for tourists and local citizens.

Visit - Plan out your visit to kyoto and share it with friends or family.

Talk about how you can travel responsibly.

Compare - Find out the good and bad parts of the place you live and write a letter suggesting ways to solve the problem(s).
