

Unlock your Power. Build Your Business. Become a Digital Entrepreneur.

Through Digital Cookie, turn your goals into action, confidence into leadership, and your unique strengths into real-world success.

STEP 1

Register for Digital Cookie

Look for the Digital Cookie registration email in your inbox. If you can't find it, contact your council or visit digitalcookie.girlscouts.org and click the "Need help to log in" link.

STEP 2

Set Up Your Site

Take a few minutes to set your sales goal, write your cookie story, upload a fun picture or video. Then publish and be ready to go!

Prepare now by talking with your family about your goals and create a fun video telling customers why they want to support your business.

STEP 3

Add Customers

Grow your customer base by sharing your personalized Digital Cookie link or QR code. Due to international privacy laws, USAGSO members are not permitted to upload customer e-mails directly into Digital Cookie. Instead, send your link directly from your own e-mail account.

In Season

Use the Digital Cookie app to sell cookies wherever you go!

The app makes it easy for you to take payment from customers purchasing cookies. Girl Scout's sites must be published before logging into the mobile app.

Track Orders and Inventory

- View/approve your orders.
- See what your customers are buying.
- Make sure you have enough cookies to fill your orders.
- Prepare to deliver to customers.

Send Cheers

Cheer on your troop mates by sending encouraging messages and gifts to boost their confidence. It all helps your troop reach their goals by working together.
