Important Notes on Insurance –

Supplemental insurance should be purchased if you meet any of these criteria:

- 1) Going on a trip lasting more than 2 consecutive nights (or more than 3 nights if one is a US federal holiday)
- 2) Have non-registered adults and/or tag-a-longs participating in the activity
- 3) Traveling outside the country in which your troop regularly meets

However, Girl Scouts located in countries that require insurance (state mandated) or provide insurance (socialized) may opt out of purchasing supplemental insurance with the exception of international travel involving passport control—that requires International Plan 3PI.
