### The Basics

#### What is the Girl Scout Experience Box?

The Girl Scout Experience Box is a new program to provide leaders of first-year Girl Scout Daisy (grades K-1 in the 2025/2026 school year) and first-year Brownie (grades 2-3 in the 2025/2026 school year) troops with an amazing resource. Starting in August 2025, new Daisy and Brownie troop leaders in participating councils will receive a monthly supply box filled with step-by-step instructions, ready-to-go supplies, and thoughtful script suggestions. This complimentary resource will follow the [Daisy First Year Troop Plan](#) and the [Brownie First Year Troop Plan](#) and be delivered directly to troop leaders.

#### Are all Daisy troops at USA Girl Scouts Overseas eligible to participate?

For the 2025 – 2026 Girl Scout Year, **USA Girl Scouts Overseas is excited to expand our pilot to all military installations overseas, US embassies and consulates, Guam and US Virgin Islands.** Troops on military installations or at embassies/consulates must use an APO, FPO, DPO or pouch address when requesting their Girl Scout Experience Box. Unfortunately, international addresses are not eligible to participate in the 2025 – 2026 Girl Scout year. We are exploring international shipping options with our vendor for future expansion.

#### What comes in the box?

Each box contains a meeting guide with activity outlines and thoughtful script suggestions. Supplies needed to complete each activity, such as kid-friendly scissors, crayons, and paper plates, are also included. You'll have everything you need to feel confident leading your Girl Scout meeting and build a stock of durable supplies you can use in future meetings!

#### Are the boxes available in languages other than English?

Yes! We're thrilled to offer the Girl Scout Experience Box in English and Spanish. You can request Spanish materials on the order form.

#### How can I get started?

### **My troop isn't a first-year Daisy troop. Can we still participate?**

The Girl Scout Experience Box is built to support the [Daisy First Year Troop Plan](#) and the [Brownie First Year Troop Plan](#), so the program isn't appropriate for other program levels. Reach out to your membership manager or [overseascustomer@girlscouts.org](mailto:overseascustomer@girlscouts.org) for other resources available to volunteers to help you create an awesome troop year.

### **Are all new Daisy and Brownie troops required to participate?**

No, troops are not required to participate.

### **Can I just buy the boxes?**

No, the Girl Scout Experience Box is a complimentary resource for new Daisy and Brownie troop leaders, and boxes are not for sale.

### **How much does it cost?**

Girl Scout Experience Boxes are complimentary and provided at no cost to eligible volunteers.

## **Details for Participating Troops**

### **What are the requirements to participate?**

This is for new Daisy and Brownie troops. Daisy troops include Girl Scouts entering kindergarten and/or first grade in the 2025/2026 school year and are participating together for the first time. New Brownie troops include Girl Scouts entering second and/or third grade in the 2025/2026 school year and may be participating together for the first time or be newly transitioned to Brownies. To receive your first box, each new Daisy and Brownie troop must:

- register at least four new Daisy or Brownie Girl Scouts and one adult volunteer; and
- complete the required order form, available from your council.

### **Where and when will my boxes be delivered?**

Boxes will be delivered to one troop leader per troop at the address provided when you complete the required order form. They will begin shipping in August 2025 to troops who have met the eligibility requirements.

### **What should I do with my troop while I wait for my first box to arrive?**

This is a great time to get to know your Girl Scouts and their families! Find time to play together at a local park, check out council-led events and camps, or try one of our [Girl Scout activities](#).

### **How many Girl Scouts will I receive supplies for? What if I add more Girl Scouts to my troop?**

Each box contains enough supplies to serve all Girl Scouts in your troop, and likely some extra supplies you can save for future meetings. Troop registration counts are updated with each shipment, so you'll have enough supplies as your troop grows. Want to invite more friends to join the fun? Use the "Invite Friends" link on the My Troop(s) tab in [myGS](#)! Check out USA Girl Scouts Overseas [recruitment resources](#) to help welcome new girls and families to your troop.

**Will I receive all the boxes?**

Every troop will receive the Welcome Box first, followed by the next box in the series. Each box is sent for a limited amount of time. Participating troops will receive up to seven boxes, in addition to their Welcome Box.

**Can I skip a box or change the order in which I receive them?**

No, we're not able to change the order in which you receive your boxes. You may, however, choose to use them in a different order, add other programming your Girl Scouts are interested in, or wait to use a box at a different time of year.
