Girl Scout Mission

Girl Scouting builds girls of courage, confidence,
and character, who make the world a better place.

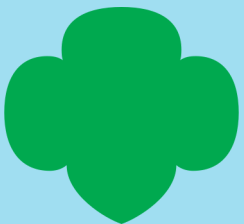

Girl Scout Promise

On my honor, I will try:
To serve God* and my country,
To help people at all times,
And to live by the Girl Scout Law.

*Members may substitute for the word God in
accordance with their own spiritual beliefs.

Girl Scout Law

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong,
and responsible for what I say and do,
and to respect myself and others,
respect authority,
use resources wisely,
make the world a better place,
and be a sister to every Girl Scout.

Who is a Juliette?

A Juliette, also known as an Individually Registered Girl Scout (IRG), is a Girl Scout who chooses to participate independently rather than as part of a traditional troop. This flexible pathway allows her to shape her own experience—picking and choosing from special events, leadership opportunities, travel adventures and badge work that match her interests.

Juliettes are often busy, independent and confident girls who may be new to a community, live in areas without nearby troops or have schedules that don't align with regular troop meetings.

The Juliette program is open to all Girl Scout grade levels, and Juliettes can take part in any activities, events or programs available to their age group- including community service projects, USAGSO events and other Girl Scout opportunities.

In 1912, Juliette Gordon Low (1860–1927) founded Girl Scouts of the USA, an organization that today serves millions of girl members and alum and reflects the arc of her remarkable life. An ardent believer in the potential of all girls and the importance of fostering their individual growth, character and self-sufficiency, Juliette is credited with establishing and nurturing a global movement that has changed the world.

Membership Dues

The Girl Scout membership year runs from October 1- September 30 and the cost is \$75 (includes a \$30 USAGSO council fee).

Financial Assistance

USAGSO is committed to ensuring every girl and adult receives the opportunity to participate in Girl Scouts. Financial assistance is available to girls and adult volunteers.

Check out our [website](#) for more information!

The Juliette Uniform

Instead of troop numbers, Juliettes have their own patch to display on their vest.

Juliette Mentors

A Juliette mentor is a parent, family member, caregiver or other adult who guides a Juliette during her Girl Scout journey. Juliette mentors are not assigned by USAGSO, but chosen by the girl and her family.

As a Juliette mentor, you:

- ☑ Register as a volunteer Girl Scout member on [our website](#)
- ☑ Support your Juliette's commitment to Girl Scouting
- ☑ Help your Juliette choose the badges and Journeys that interest her
- ☑ Have access to the Volunteer Toolkit (VTK) to guide your Juliette through badges and awards
- ☑ Assist her in purchasing or borrowing the books and materials needed to complete each badge or award
- ☑ Verify she has completed the requirements and purchase badges from the Girl Scout Shop
- ☑ Retain signed annual health history and permission form for your Juliette to participate in events, camp and other activities
- ☑ Review USAGSO programs and camps, helping her pick the activities she wants to participate in and planning how she will fund her participation
- ☑ Help your Juliette discover, connect and take action in her community

What Can a Juliette Do?

- * Work toward earning her [Girl Scout Bronze](#), [Silver or Gold Award](#), as well as a variety of other leadership awards found on our [website](#).
- * Develop her skills by earning badges that match her interests.

Our Program

At Girl Scouts, she'll lead her own adventure- choosing exciting, hands-on activities that spark her curiosity. As she earns badges and awards and completes meaningful journeys, she'll discover new interests, take action and build important skills in the four key areas that form the foundation of the Girl Scout Leadership Experience.

Badges

Girl Scout badges are an awesome way for girls to explore their interests, discover new skills and proudly show what they've achieved!

Badges are earned through hands-on learning and are worn on the front of the Girl Scout uniform for everyone to see.

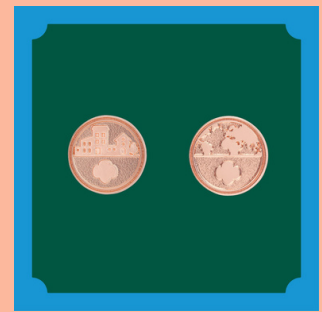

Plus, USAGSO offers unique council-owned badges just for our overseas Girl Scouts! You can find all the USAGSO badge info and requirements [here](#).

Leadership Awards

Juliette Girl Scouts can take their leadership journey even further by earning prestigious awards that recognize their growth, initiative, and impact. Girl Scouts in grades 4–12 can work toward Personal Leadership Awards, Peer Leadership Awards, Teaching Leadership Awards, and Community Advocacy Awards. These awards provide opportunities to develop leadership skills, mentor and inspire others, share knowledge, and make a difference in their communities. Juliette Girl Scouts can pursue these awards independently while receiving support and guidance from their caregivers and Girl Scout council.

Highest Awards

Bronze. Silver. Gold.

These represent the highest honors a Girl Scout can earn.

All three awards give girls the opportunity to do big things while supporting an issue they care about. A Girl Scout might plant a community garden at her school or inspire others to eat healthy foods for her Bronze Award, advocate for animal rights for her Silver Award or build a career network that encourages girls to become scientists and engineers for her Gold Award. Whatever a girl chooses, she'll inspire others (and herself).

The Bronze Award

The Girl Scout Bronze Award is the highest honor a Girl Scout Junior can achieve, recognizing that a girl has developed the leadership and planning skills to follow through with a project, while making a positive difference in her community.

The Silver Award

Going for the Girl Scout Silver Award—the highest award a Girl Scout Cadette can earn—gives her the chance to do big things and make the community better in the process. The Silver Award gives girls the opportunity to focus on a local issue they care about, build a team and implement their Take Action project to better the lives of those around her and for herself.

The Gold Award

The Girl Scout Gold Award is the highest award a Girl Scout can earn. Open only to girls in high school, the Girl Scout Gold Award is the most prestigious award in the world for girls- and the most difficult to earn- and it's only available to Girl Scouts.

Gold Award Girl Scouts are making the world a better place. These young women are inspiring leaders whose Gold Award projects are impacting the worlds of STEM, education, agriculture, medicine and more on a local, national or global level. By the time a Girl Scout puts the final touches on her seven-step project, she'll have solved a community problem- not only in the short term, but for years into the future- and she'll distinguish herself in the higher education scholarship process and will enter the military one rank higher.
