USA Girl Scouts Overseas

Girl Scouting gives your girl a community of support that will help her make friends, learn new skills and become her best self—no matter where she goes.

Plus, it empowers girls to forge their own path and explore interests that matter to them. Does she want to explore her creative side and create art, discover the wonders of STEM, learn how to run a business?

With Girl Scouts, she can!

Volunteering with Girl Scouts

With the support of adult volunteers, mentors and millions of alums, Girl Scouts lead the way as they find their voices and make a difference. As a volunteer, you will make Girl Scouting possible while building community, growing your own skills and passions and showing girls what it means to be unstoppable.

With your unique skills and interests, you'll help Girl Scouts become stronger, kinder and braver than they ever thought possible.
