

# Girl Scouts Give Back: Citizen Science with Stall Catchers

Join us at one of two kickoff sessions to learn more about USAGSO's Catch-A-Thon. During this kickoff, Girl Scouts will learn more about Citizen Science and how Stall Catchers is contributing to cutting-edge Alzheimer's research. You'll then register for Stall Catchers and our Catch-A-Thon in real time and even practice catching a few stalls live!

Stall Catchers is an online game that anyone can play - no experience necessary. In the game, you look at movies from the brains of mice and try to identify vessels as flowing or stalled.

Join us for an exciting kick-off session:

Saturday, Nov. 19 at 8pm (Nov. 18) EST / 2am CET / 10am JST  
**OR** Saturday, Nov. 19 at 4am EST / 10am CET / 6pm JST

**Our Catch-A-Thon Challenge will officially run from  
Saturday, Nov. 19 through Monday, Nov. 28.**

## Win Amazing Prizes:

- Every USAGSO member that logs 10+ hours playing Stall Catchers will receive a customer Girl Scout / Stall Catchers patch.
- The top five Girl Scouts with the most hours logged will win an awesome citizen science book pack with The Field Guide to Citizen Science: How You Can Contribute to Scientific Research and Make a Difference and Citizen Scientists: Be a Part of Scientific Discovery from Your Own Backyard.
- The country that logs the most hours will win an exclusive meet and greet with the Stall Catchers team and help design the first-ever Girl Scout / Stall Catchers patch!

Don't want to wait to get started catching? Sign up and join a USAGSO team in 5 steps!

1. Head to <https://stallcatchers.com/> and click the 'Join now!' button.
2. Choose a username and enter your email address, then click the 'Sign up' button.
3. Once logged in, click on your name in the top right corner and then select 'Teams.'
4. Type 'USAGSO' in the search bar - once you see your country on the list, click it!
5. And, finally, click the 'Join' button to do just that... Join!
